### Membership Application/Renewal

The attached MVCCA membership application/renewal **must be completed and returned along with dues payment.** **PLEASE COMPLETE THE ENTIRE FORM EVEN IF YOUR INFORMATION IS THE SAME AS THE PREVIOUS YEAR,** providing as much information as possible, particularly email addresses and telephone numbers as this helps us to better communicate with our member associations and their representatives. **See the important information about designated representatives below.** If your Association has a web site, provide the URL so that it can be linked from the Council's web site. The application may be signed by either the President or Treasurer. In the appropriate boxes, indicate who should receive mailed copies of the RECORD (see limitations below). **Make check payable to MVCCA and mail completed application and dues to MVCCA Treasurer, PO Box 203, Mount Vernon, VA 22121-0203.** Forms can also be downloaded from the Council's web site at [www.MVCCA.org](http://www.MVCCA.org).

### RECORD Subscriptions

1. Payment of dues allows your Association to designate **up to three (3) printed and mailed subscriptions to the MVCCA RECORD**, the official publication of MVCCA, which is published each month except August. Additional mailed subscriptions are available for **\$15 per year**. You must include payment for additional subscribers beyond the three allowed with payment of the dues, at the time you request inclusion of additional subscriptions.
2. Anyone in your association may sign-up to receive the electronic version of the *Record* at no cost and may sign-up by visiting [www.mvcca.org](http://www.mvcca.org). MVCCA encourages ALL designated representatives to receive the *Record* either by mail or electronically in order to stay abreast of MVCCA meetings, actions and pending matters.

### Changes of Address/Committee Representation

Each member association's President is responsible for keeping MVCCA aware of all changes of address and committee representation **throughout the entire year**. This is crucial so that we can provide information to designated representatives, and so that those reps are allowed to vote at meetings. **Send all changes of address and committee representation to the Treasurer** at the contact mailing/email addresses listed on back. All mailed changes must be in writing and signed by the Association President; any emailed changes must be sent from the email address of the Association President on record with MVCCA. If most of your information changes, it may be easier to complete a new membership form. Please provide contact information (mailing address, phone and email) for all designated reps. All changes for the purposes of the RECORD must be received by the 1<sup>st</sup> of the month. All changes for the purposes of voting must be received in accordance with the policy outlined below.

## **New Associations**

Any new eligible citizens' Association or homeowners' Association applying for membership in the MVCCA shall become a member upon favorable majority vote of the existing member Associations and upon payment of dues. All applications for membership, along with payment, must be submitted in writing, to the Treasurer at the contact address listed below, at least **three (3) days prior** to the monthly Board of Directors meeting (second Thursday of each month except August). The application will be reviewed and forwarded to the MVCCA membership for action.

## **Representation and Voting**

Representatives to the General Council and to all MVCCA committees are appointed by their respective associations and **must be designated as such** on the association's annual membership application to MVCCA. MVCCA committees consist of duly designated representatives from member associations in good standing. Only representatives of associations who have paid their membership dues, no later than March 1, will be allowed to vote at both the General Council and committee meetings. You may also designate alternate representatives to the Council and committees.

**IMPORTANT NOTE:** Changes in appointments of representatives are to be submitted to the MVCCA Treasurer in writing or by email so that it is **received at least forty-eight hours prior** to meetings (see contact information below). **Emailed changes are acceptable but must be sent from the email address of the Association President and must be received 48 hours prior to the meeting.** Copies to the respective Committee Chair(s) are encouraged.

In the absence of an Association President or Council/Committee Representative of record, an Association may send a representative to participate in committee activities; however the Committee Chair may request that any person, other than an Association President or Representative of record provide verification to vote or speak for an Association. Association board resolutions, letters of appointment signed by the Association President, or a proxy submitted by the Association's President or Representative of Record are considered acceptable verification. If verifications are requested and not received before the MVCCA Board of Directors meeting following the committee meeting, committee actions, including votes cast by an unaccredited representative, will be considered null and void. **IN ALL CIRCUMSTANCES, COMMITTEE REPRESENTATION IS NOT VALID UNTIL REPORTED BY THE MVCCA TREASURER TO THE APPROPRIATE COMMITTEE CHAIR PERSON.**
